

Introduction to Bootstrap

“Nav” - “Tab” - “Navbar”

Warm Up: Which site do you think uses a “nav” or a “tab”

Bonus:
Can you identify where
they are?

Welcome to Bootstrap

- an HTML, CSS and JS Library that focuses on simplifying the development
- an external style sheet that provides basic style definitions for all HTML elements

**Build fast, responsive sites
with Bootstrap**

How to use Bootstrap to add

- “navs”
- “tabs”
- “navbar”

- Go to <https://getbootstrap.com/> > Docs > Use the links on the left
- We will work mainly with **Layout** and **Components**

Activity:

“navs” - personalize your links

“navs” - try adding more links

“tabs” or “navbar” - try these out

personalize

add more tabs!
